Pet Information Sheet

If your pet has medical condition and has not been treated at the Kitty Klinik, please list health needs below:

Current Veterinary Clinic providing care: _____

May we contact Veterinary clinic for current medical records: YES NO

We will try and duplicate your pet's food and litter, within reason, to make the stay as home-like as possible. We stock Hills, Iams and some Purina products. We will purchase some items that are readily available. If your pet has some special dietary needs that can't be met this way, please bring what you would like us to use. Our standard diet is Hills Adult Maintenance.
